Cashless Hospital Transforming Public Healthcare

Thane • Published: 03 Dec 2025 • Source: www.pratapsarnaik.com

The **Late Indira Bai Baburao Sarnaik Cashless Hospital**, officially known as the **Matoshree Indirabai Baburao Sarnaik TMC Hospital**, marks a major milestone in accessible and transparent healthcare. This 150-bed super-speciality facility in Thane is built on a simple yet powerful belief: *treatment should never stop because of money.*

With its pioneering **“No Cash Counter” policy**, the hospital provides **completely cashless treatment** through government health schemes, making quality medical care easier and stress-free for thousands of families. It stands as a model of modern, people-focused healthcare supported by advanced technology and efficient management.

To meet the needs of a rapidly growing population, the hospital offers comprehensive health services across major specialities, ensuring that citizens receive timely, expert care without financial burden.

Key Highlights

- **Cashless treatment for eligible patients** under the “No Cash Counter” system
- **150-bed super-speciality infrastructure** with advanced diagnostic facilities
- **Wide range of specialities**, including cardiology, oncology, neurology, paediatrics, surgery, and gynaecology
- **Operated by TMC** in collaboration with Platinum Hospitals for smooth, efficient service
- **Two key locations:** Kapurbawdi, Thane West & Mira Road East

By bringing world-class healthcare within reach of every household, this hospital represents hope, dignity, and a new direction for public health in Thane and Mira-Bhayandar.
