The Bharat Ratna Lata Mangeshkar Auditorium in Mira Bhayandar stands as a modern cultural hub, enhancing the region's artistic identity. Inaugurated on October 11, 2022, by Hon. Chief Minister Eknath Shinde, it represents a major milestone in strengthening the city's cultural infrastructure and providing a world-class platform for performing arts.

## Key Highlights

- Fully operational state-of-the-art auditorium
- Two halls: ~850-seater main hall & mini-theatre
- Built under the BOT model using TDR—no municipal funds
- Advanced lighting, sound & central AC systems
- 15 green rooms, cafeteria & ample free parking
- Dedicated only to cultural performances, not private events

Designed as a centre for theatre, music, and cultural expression, the auditorium hosts plays, concerts, dance recitals, and major artistic events. With modern amenities and high-quality acoustics, it offers performers and audiences a premium experience. Its creation reflects the growing focus on cultural development in Mira Bhayandar.

With strong support and constant follow-up from **Shri Pratap Sarnaik**, the Lata Mangeskar Auditorium has become a prestigious cultural asset for the city, encouraging art, nurturing talent, and enriching the community's cultural spirit.
